

# REIMAGINE FRAGRANCE

AUTUMN/WINTER 2015

UK/Ireland

*I cannot imagine my life without fragrance. Bergamot, vanilla, clove, coconut — each note reminds me of special moments that help make me who I am. Every Scentsy fragrance is lovingly and carefully designed, crafted to connect you to your memories and help you create new ones.*

*For more than 10 years we've captured and cast your scent memories in wax, to be warmed and cherished with the people you love. Now, we reimagine fragrance with the introduction of our exclusive line of natural and essential oils, designed to be experienced in our new Scentsy Diffuser. Crafted from the most fragrant plants from around the world, we have created beautiful scents with the finest ingredients: lavender harvested from the hills of Provence, mint from my native Washington state, botanicals distilled from hand-picked crops.*

*We are thrilled to introduce a new product to enchant your senses and enhance your laundry experience. Our ultra-concentrated Laundry Liquid combines powerful cleaning agents with the perfect amount of fragrance — combine with our Washer Whiffs to surround your clothes and linens with pure Scentsy.*

*This season, we invite you to reimagine Scentsy fragrance and the new ways you might encounter it. Whether warmed, diffused or added to enhance your laundry, it is my sincerest hope that our new fragrances will speak to your soul, as they have mine.*

*Heidi*

"On 1 October, Scentsy came to Dublin. Nearly four years later, Scentsy has given me so much more than an income. I've reconnected with old friends and met many new ones just by sharing my love of fragrance. My house always smells great and I get to work when I want. I can't imagine my life without Scentsy now and I'm so glad I took that chance."

— Lesley-Ann D., Scentsy Consultant

"Last year I was faced with a very big personal challenge in my life, and I threw myself into Scentsy as a distraction. Scentsy saved me, my life and has given me more than I could ever give back. I love sharing and helping support others and enjoy being the light that can help others see."

— Kelly G., Scentsy Consultant
