

REIMAGINE SCENTSY

SPRING/SUMMER 2015

Australia/New Zealand

SPRING/SUMMER 2015

For over a decade Scentsy's wickless warmers and wax have led the way in providing safe sensory experiences full of happiness, joy and great memories. I am very proud of our designers who continue to elevate the quality and beauty of our iconic warmers and fragrant wax. This spring is the best lineup ever.

But we can't stop with warmers and wax. This season, we reimagined our Scentsy product offering to enhance your sensory experience in delightful ways. The home office has been bursting with excitement over the introduction of the Scentsy Diffuser and 21 different Essential Oils, Essential Oil Blends and 100% Natural Oils to provide the best fragrance experience for you and your family.

The Scentsy Diffuser is world class. It is a signature home décor piece that would complement even the finest of homes. It is also the world's most advanced ultrasonic diffuser. With interchangeable decorative shades, 16 lighting options and three mist settings, it elevates your fragrance experience into a truly personal sensory experience. But we haven't stopped there.

On the fun side, we have paid particular attention to our youngest Scentsy fans with a new Kids line. Fragrant Buddy Clips, Scrubby Buddies and Bath Smoothie hair and body wash will allow kids of all ages to define their own sensory experience.

Prepare yourself for all of the new sensory adventures coming this season. It is going to be amazing!

A NEW APPROACH

Our most personal fragrance experience yet. Simply add water and your favourite Scentsy Oil to the diffuser reservoir (start with 4-5 drops, use more or less oil to customise your fragrance intensity) and choose your light and mist options. The diffuser releases your perfect fragrance, carried in a microscopic mist, for an exclusively natural, full-bodied, immediate experience precisely matched to your desires.

Includes diffuser and your choice of shade.

LET FRAGRANCE SURROUND YOU

Choose from 21 all-natural, globally sourced Scentsy Oils. Designed for the beauty of their fragrances, our three Essential Oils, six Essential Oil Blends and twelve 100% Natural Oils can be combined to create completely customisable scents.
